Disabilities in Schools

Section 504 of the Rehabilitation Act (1973)

-  Prohibits disability discrimination by programs and organizations that receive federal financial assistance.
-  Requires schools to provide reasonable accommodations and equal access to education through a **504 Plan** when appropriate.
-  Protects qualified individuals with physical or mental impairments that substantially limit one or more major life activities.

Individuals with Disabilities Education Act (IDEA, 1975)

-  Guarantees eligible children with disabilities a **Free Appropriate Public Education (FAPE)** in the **Least Restrictive Environment (LRE)**.
-  Requires schools to develop and implement an **Individualized Education Program (IEP)** tailored to the student's educational needs.
